SPECIAL EVENTS

LADIES PROGRAM

A special program for the wives of visiting delegates has been planned for Thursday afternoon. This will include the demonstration of an electronic kitchen at Consumers Power Company service center on North Street followed by a tea at the Wm. Defoe home on Nurmi Drive in Bay City. Transportation will be furnished and will depart from the hotel immediately after the noon luncheon. The group will be returned to the hotel no later than 5:00 P.M.

TOUR

Delegates have been invited to visit the Defoe Shipbuilding Company in Bay City on Friday afternoon following the close of the conference. This will be an opportunity to inspect one of the Navy's new guided missile destroyers. Defoe is one of the nation's foremost shipbuilders. Their accomplishments since 1918 include 157 Navy ships, 33 Coast Guard vessels, 14 freighters and 51 yachts. It will be necessary for ladies on the tour to wear flat-heeled shoes.
