

Get connected with a
**Michigan Association of Planning
Corporate Membership**

Your link to *education, information, and advocacy*

Corporate Membership provides recognition and acknowledgement to firms, state agencies, and nonprofits as a supporter of quality community planning and of the Michigan Chapter and its mission.

Your investment in MAP helps further our mission and strengthens our influence.

Benefits of Corporate Membership include:

- **Wide exposure** to local appointed and elected officials; professionals from planning, development and design communities; state legislators; and others with an interest in planning.
- **Acknowledgement as a top supporter** at Association events such as Transportation Bonanza, Spring Institute and the Annual Conference, Awards Banquet, and periodically throughout the year in the Michigan Planner magazine.
- **Permanent acknowledgement** on MAP's webpage.
- Receive all of the benefits of **standard membership for up to 12 members** of your firm or agency. Other staff professionals, who aren't members of APA, but are engaged in the planning process, such as **landscape architects, engineers, and inspectors** will benefit from a MAP membership.
- **Early opportunity** to select exhibit booth space at the annual conference.
- **Help shape the policies** that address the issues facing communities across Michigan by providing commentary through the Association on legislative matters in Lansing.
