**Come together as a Regional Housing Partnership!
Cheer progress and hear from experts in housing
finance, zoning reform, and community engagement.**

We will hear what our committees have been doing, and what our region's excellent organizations are accomplishing. We'll share data, resources, and findings so we can learn from each other. A special Housing Finance Panel will spotlight ever-needed resources and programs, and an educational block takes stubborn regulatory barriers head on. Best of all, we'll work together to chart our "next right action" together to build on each others' successes.

You should attend if you are a...

- Region K partnership member
- Housing developer, especially emerging and small-scale
- Housing advocacy organization
- Landlord
- Community advocate
- Community developer
- Local government official
- Economic developer
- Planner
